

compliance requirements of 37 CFR 1.121 cited in the Notice of Non-Compliant Amendment letter.

Conclusion

The Applicant submits that the specification and the claims are now in proper form, and that the claims are all patentable over the prior art. Therefore, the Applicant submits that this application is now in condition for allowance, which action is respectfully solicited.

Conditional Request for Constructive Assistance

The Applicant has amended the specification and claims of this application so that they are proper, definite, and define novel structure which is also unobvious. If, for any reason this application is not believed to be in full condition for allowance, the Applicant, an independent inventor and pro se filer, respectfully requests the constructive assistance and suggestions of the Examiner pursuant to M.P.E.P § 2173.02 and § 707.07(j) in order that the undersigned can place this application in allowable condition as soon as possible and without the need for further proceedings.

Very Respectfully,

Charles D. Murphy
